

General Information

1. All applications will be made online on the dates announces on our web site. (December 06, 2024 (08.00) – December 10, 2024 (17.00))
2. Candidates graduated from institutions abroad must upload the recognition document obtained from the Higher Education Institution (YÖK) to the online application system.
3. If the grade as to 100 grading system is not specified in the transcript received by the graduates of undergraduate and graduate programs who apply to our programs;
 - a. A system transformation chart of 100 approved by the relevant institution is accepted.
 - b. If the grades given in the transcript according to different systems have a description range according to the 100 system, the lower limit of the range is converted to the 100-grading system by accepting the initial value.
 - c. In the absence of the above-mentioned documents, "Grades in the 4-Grading System and in the 100-Grading System Chart" of the Council of Higher Education (YÖK) is used.
 - d. Ege University grade transformation table is used for the graduation grades of the candidates applying to graduate programs in the 20- and 5-grading systems.
4. Candidates can simultaneously apply to 2 (two) single-discipline graduate programs, 1 (one) multi-disciplinary graduate program (Women's Studies Master's Program with Thesis and Industrial Design Culture and Practices Master's Program) and 1 (one) non-thesis master's program.
5. If there is a coincidence in the written scientific evaluation and/or interview dates of our candidates who have applied to more than one program, it is important that our candidates contact the relevant Department Heads before the exam day.
6. Complete and correct information declaration is the candidate's responsibility.
7. Applications by mail will not be accepted. Only online applications will be accepted.
8. For application; You must log in to the system at <https://basvuru.ege.edu.tr/>
9. For more information do not hesitate to contact us via e-mail at burcu.turkcan@ege.edu.tr

EVALUATION CRITERIA

Evaluation of the score in case foreign candidates attending both an interview and a written scientific exam:

Placement Grade Types	Bachelor's Degree GPA	Master Degree GPA	Interview Grade	Scientific Written Exam Grade
Placement score of candidates who apply to master and PhD programs with thesis as a bachelor's degree and who are exempt from the Turkish placement test	%50	-	%25	%25
Placement score of candidates who apply to master and PhD programs with thesis as a bachelor's degree and who are exempt from the Turkish placement test	%50	-	%25	%25
Placement score of candidates who apply to non-thesis master programs and are exempt from Turkish proficiency test (including distance education programs)	%50	-	%25	%25
Placement score of candidates who apply to non-thesis master's programs and pass the Turkish proficiency test (including distance education programs)	%50	-	%25	%25
Placement score of candidates who apply to PhD programs as a graduate and who are exempt from the Turkish proficiency test	%25	%25	%25	%25
Placement score of the candidates who apply to PhD programs with a master degree and pass the Turkish proficiency test.	%25	%25	%25	%25

Evaluaiton of the score in case foreign candidates only attending to an interview or only to a written scientific exam:

Placement Grade Types	Bachelor's Degree GPA	Master Degree GPA	Interview Grade	Scientific Written Exam Grade
Placement score of candidates who apply to master and PhD programs with thesis as a bachelor's degree and who are exempt from the Turkish placement test	%50	-	%50 (for only interview)	%50 (for only scientific written exam)
Placement score of candidates who apply to master and PhD programs with thesis as a bachelor's degree and who are exempt from the Turkish placement test	%30	-	%50 (for only interview)	%50 (for only scientific written exam)
Placement score of candidates who apply to non-thesis master programs and are exempt from Turkish proficiency test (including distance education programs)	%50	-	%50 (for only interview)	%50 (for only scientific written exam)
Placement score of candidates who apply to non-thesis master's programs and pass the Turkish proficiency test (including distance education programs)	%50	-	%50 (for only interview)	%50 (for only scientific written exam)
Placement score of candidates who apply to PhD programs as a graduate and who are exempt from the Turkish proficiency test	%25	%25	%50 (for only interview)	%50 (for only scientific written exam)
Placement score of the candidates who apply to PhD programs with a master degree and pass the Turkish proficiency test.	%25	%25	%50 (for only interview)	%50 (for only scientific written exam)
